Educational Grant-Supported Session
Friday, 12 April 2019, 12:15-13:45 Hall C
Symposium Chair/s: Peter J. Mazzone, MD, FCCP

This event is sponsored in part by an educational grant from Elsevier, the publisher of CHEST®.
Elsevier did not participate in any way in the development, faculty, or content of the congress or individual programs held at the congress

Introduction to the CHEST® Journal
This session will cover a brief history of the journal CHEST, including the future vision and goals for the publication, an overview of how to submit articles, and tips on what might be key in evaluating a manuscript for publication. A question and answer period will allow attendees to ask questions of the new incoming CHEST Editor in Chief.
Clear the Queries: Asthma and Allergic Rhinitis Management
Thursday, 11 April 2019, 10:00-10:30

Dr. Fulya Erman, GSK Regional Medical Expert for Respiratory & Allergy
